Re: Sears Holding Corporation
Jointly Administered under Case No: 18-23538
Additional Assurance Request

Dear Mr. Sitley, Ms. Marcus and Ms. Liou, Ms. Miller, Mr. Leake, Ms. Elberg and Mr. Howard,
Mr. Schwartzberg and Mr. Morrissey:

I represent Jackson Electric Membership Corporation (Jackson EMC), a Utility Provider in the above referenced bankruptcy. Pursuant to the Interim Order entered by the Court on October 18, 2018, Jackson EMC is writing to request additional assurance on the two locations it services in Georgia.

The first location is 580 Raco Pkwy, Jefferson, Georgia 30549 Perm/Sears Bldg. and the account number for that service is 804078. Jackson EMC is requesting a cash deposit in the

amount of \$43,000.00. This represents the average monthly charge for two months of service over the last twelve (12) months. A copy of the twelve (12) month billing history is attached hereto as Exhibit "A".

The second location is 1650 International Ct., Suite 200, Gwinnett Park, Norcross, Georgia 30093, and the account number for that service is 989301. Jackson EMC is requesting a cash deposit in the amount of \$1,800.00. This represents the average monthly charge for two months of service over the last twelve (12) months. A copy of the twelve (12) month billing history is attached hereto as Exhibit "B".

Jackson EMC currently does not any security deposits, prepayments or other security on either of these accounts. Twice within the last twelve (12) months, Jackson EMC threatened to disconnect service due to Sears' payment default. Jackson EMC bills 30 days in arrears and grants 60 days from the bill date before disconnection occurs, which is essentially 90 days of service before disconnection. Therefore, a cash deposit equal to two months average service is reasonable and necessary considering the length of time necessary for Jackson EMC to effectuate termination once one billing cycle is missed by a customer. Jackson EMC is further requesting that these deposits be forwarded to it to hold as security for the payment of the utility service on these accounts.

I trust you will find these amounts as reasonable. However, if you are not in agreement, I trust you will timely contact me pursuant to Paragraph B(7) of the Adequate Assurance Procedures. I look forward to receiving the security deposit payments in the near future.

Sincerely,

FORTSON, BENTLEY AND GRIFFIN, P.A.
